Apologies:

Khamid Mahkamov apologises but he has online lectures during the same hours of the meeting

USM team has not received the invitation to the first day meeting due to some problems with the correspondence

The meeting starts at 8.00 (UK time) with the welcome by Luca Cioccolanti. Luca Cioccolanti briefly introduces to all the participants the agenda of the meeting.

According to the agenda Luca Cioccolanti gives some update on the progress of the project. Most of the Asian partners have selected the modules to be enhanced except CMU that has not yet finalized the selection.

According to the agenda, Luca Cioccolanti discusses about WP1 Progress on Analysis of the market and training needs and Building up the Project Network. He reports on the situation on initial survey and then he describes the further actions needed in building up the project network.

Then Luca Cioccolanti introduces WP2: Progress on Modernisation and enhancing of the structure and syllabus of the selected modules by summarizing to all partners the modules selected by all the partners so far and specifying the EU supervisor for each module.

Discussion on WP3, instead, is postponed by the second day of the meeting.

According to the agenda, Chao Chen presents and discusses the progresses on modules selection and preparation at BJTU, the list of equipment and the PhD students at BJTU involved in the topic of the project. Some questions have arisen on the percentage of the enhancement for some modules, teaching months of the modules, internships and technical specifications required for the tender.

Then Yong Guan presents and discusses the same for LZJTU.

Eventually Kwanchai Kraitong reports the progresses at NU and several aspects are discussed with respect to the content of the enhanced modules and the laboratory equipment selected by his team.

The first day meeting ends at 12:30
